WHAT TO EXPECT:

Carrie Ann Ford is a singer,
songwriter and inspirational
speaker. For over 25 years and
in more than 15 countries, she
has been sharing God's love
and hope with people of all
ages. She uses music, drama,
humor, authentic witness and
an acorn to share her message.

When you bring Carrie to your
organization you can expect
your group to:

Be Inspired

Be encouraged

Be challenged

Pray together

Laugh together

"Carrie is an amazingly talented, faith-filled woman who brings passion and authenticity to her ministry. Her keynote was well-received by youth and adults alike, and she touched the hearts of many as she shared her music and faith witness. Carrie is one of the best presenters we've worked with, displaying an ideal blend of community-building, story-telling, Catholic content, music, and personal testimony." ~Kathryn M. Goller,
